- Examination and evaluation process is done in much systematic way than before. All the documentations is done according to the suggestions given in moderation.
- Faculties participate in national and international conferences and many of the faculties have their research papers in UGC care list journals.
- Lots of e-books are also available which are taken as reference for teachers as well as students.
- College has provided us with LMS software named as Biyane software and teachers are regularly trained for using these software.
- College website maintenance is in process.
- Classroom and furniture is well maintained with adequate light system.
- Toilets are well maintained and cleaned regularly.
- Administration is approachable and supportive.
- College allows the faculties to attend workshops and FDP for their academic growth.
- Meetings are interactive where teachers share their ideas and their suggestions are taken into consideration.
