Team work activities in B.Ed. Programme

Group work is very important in B. Ed curriculum. Because group work develops teamwork skills in students. B.Ed. Group work is given in the following subjects.

Importance of group work

- ✓ Group work builds self-confidence.
- ✓ Group discussion provides an opportunity to speak in public. It improves public speaking skills.
- ✓ Group discussions go deeper into a given topic.
- ✓ In a group discussion, a participant usually gets maximum 5 minutes. In those 5 minutes he has to understand the topic, then from which points to start, how to convince people of his opinion, all this in just 5 minutes.
- ✓ Group discussion improves communication skills.
- ✓ Group discussion reduces the fear of speaking in a group.
- ✓ Some people are afraid to speak in public. They know about the topic and are confident when speaking. If those people participate in two or three group discussions, they will not be afraid of public speaking.
- ✓ The examiner assesses beforehand how you will behave with cooperation in the company in group discussions.
- ✓ The examiner understands the conduct of fellows in the group church towards the rest of the fellows.
- ✓ Group discussion enhances an individual's listening skills.
- ✓ In group discussion everyone is sharing their different ideas.
