# Planning and Selection of Co-curricular and Extra Curricular Activity

Syllabus is not only needed for the overall development of student, but extra curricular activities are also required for mental, physical and social development of child.

Extra-curricular activities helps to explore the hidden qualities of the students and it also improves the interaction in students.

We are arranging some activities like Swami Vivekanand Birth Anniversary, Republic Day, Shri. Maharaaj Birth Anniversary, Marathi Day, National Science Day, Science Model Making Competition, Dr. Babasaheb Ambedkar Birth Anniversary. All the programme are helpful for the development of pupil as well as student teacher.

The students celebrated the National Youth Day to commemorate the birth anniversary of Visionary and spiritual guru Swami Vivekananda.

Students paid tribute to

his teaching and philosophy. They recited some of his most famous quotes for the youth of India. Youth to focus on universal good. Personal growth and a lot of things more.

# Republic Day

The 74<sup>th</sup> Republic Day of the country was celebrated with great enthusiasm. As the government has declared the year 2023 as the international year of Millets. The students of class IX organized an excellent cultural program under the guidance of the teachers. The students gave a message about the importance of including millets again in the diet through...

# Shivaji Maharaj Birth Anniversary

... performed beautiful powades, songs, speeches highlighting the life of Shivaraja and performed...

# Marathi Day celebration

Marathi day celebrated on 27<sup>th</sup> February to mark the importance of Marathi language. A wonderful program was put up by the students from different classes.

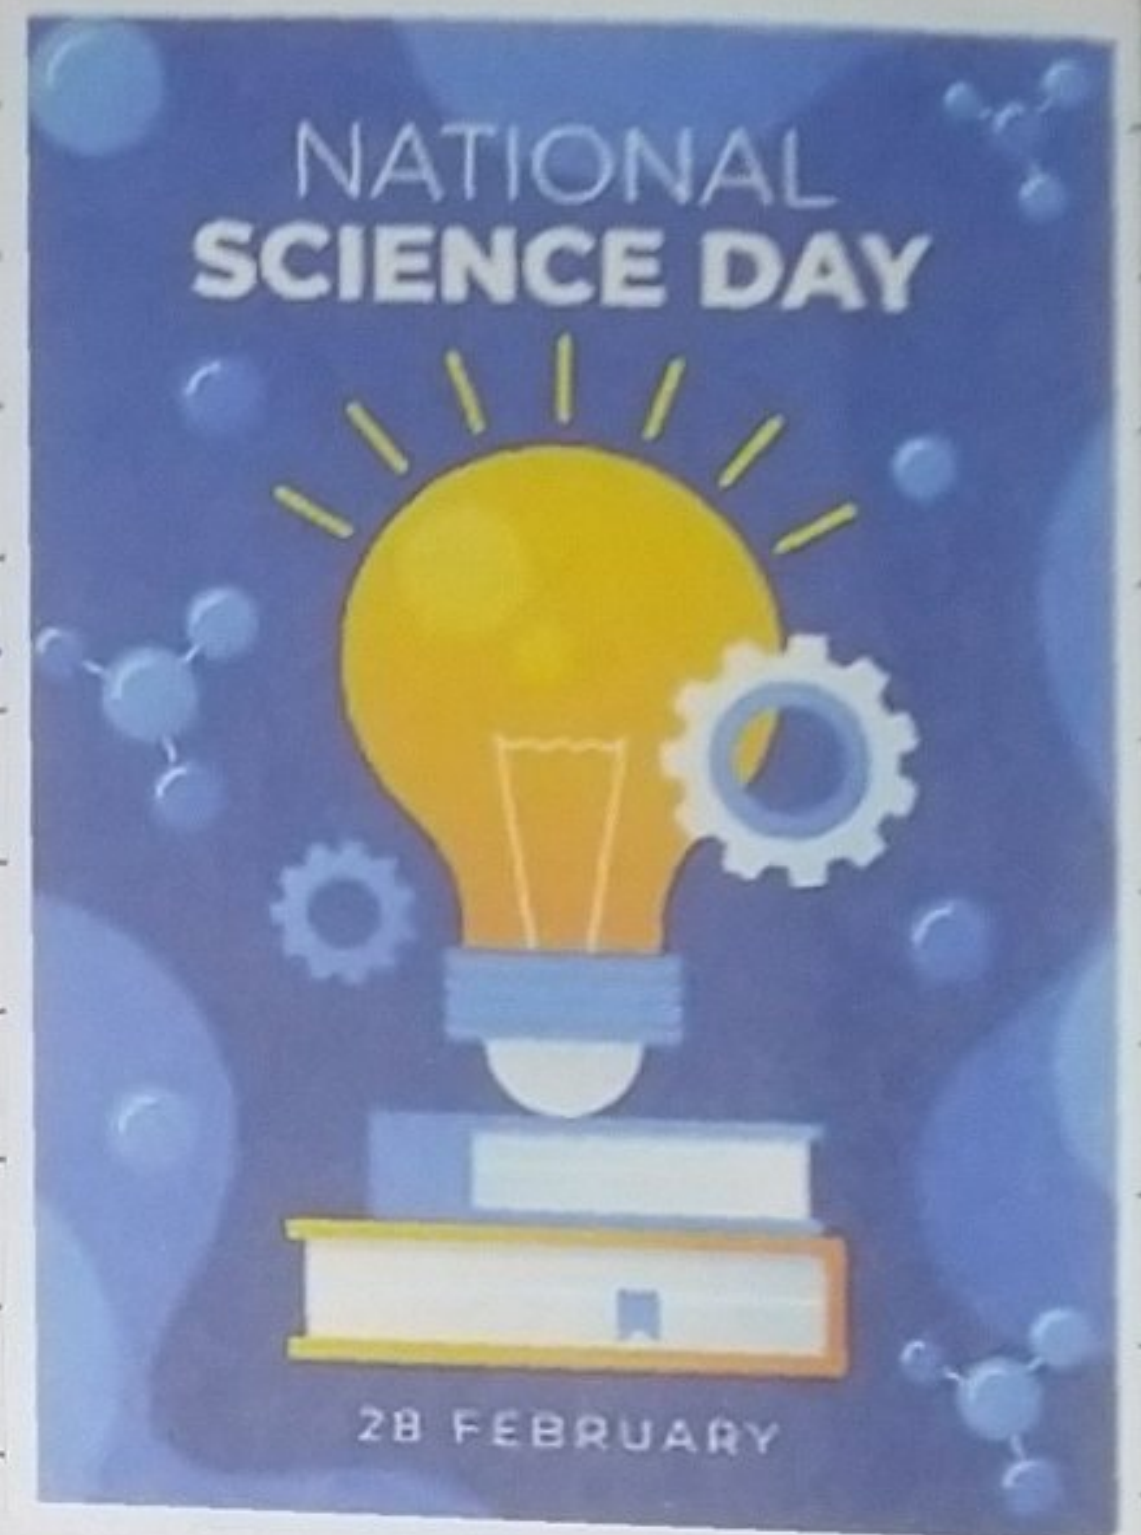

under the leadership of Marathi subject teachers. They performed dances, group songs and Marathi poems. They also stated the importance of the day through their speeches.

## National Science Day

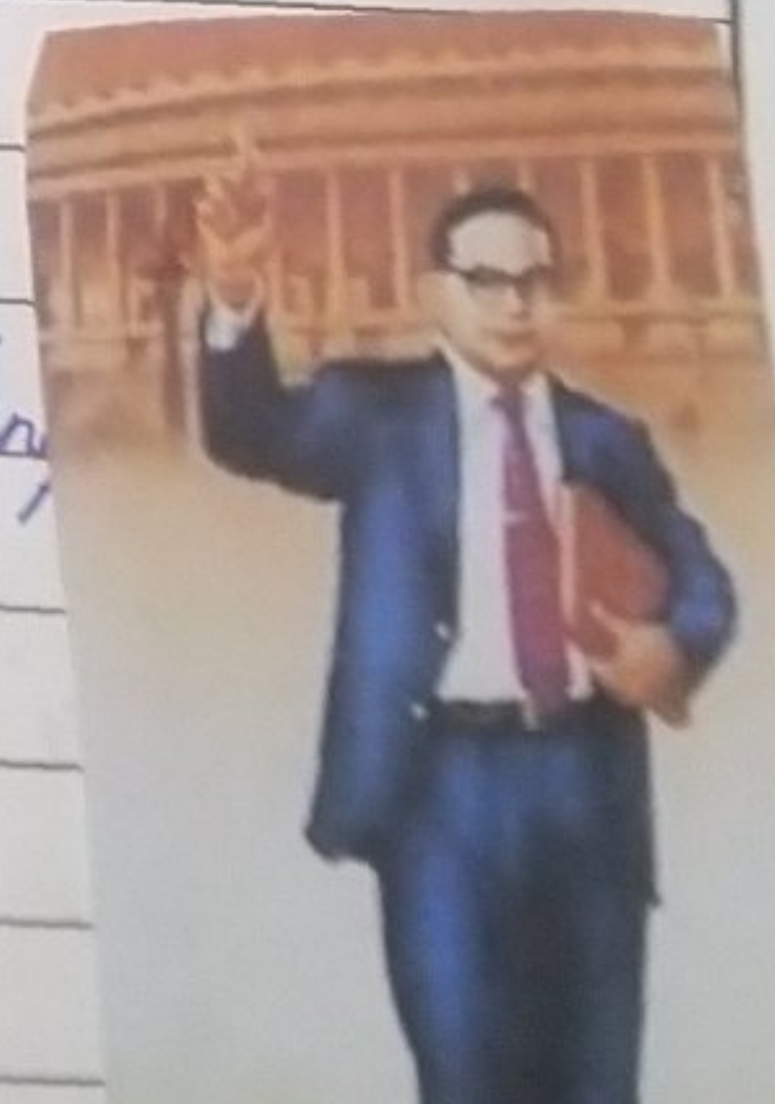

In 1986, the Government of India designated February 28 as National Science Day to commemorate the announcement of the discovery of the "Raman Effect".

This year's edition is being celebrated under the theme of Global Science for Global Wellbeing, in light of India's G20 presidency.

## Dr. Babasaheb Ambedkar Birth Anniversary

B.R. Ambedkar was an Indian jurist, economist, social reformer and political leader who headed the committee drafting the constitution of India from the Constituent Assembly debates, served as Law and Justice Minister. The Wonderful program was put up by the students from different classes.

## Problem faced during Activities

This programme take place outside a typical pen and pencil in classroom experience. It gives the students an opportunity to develop particular skill and exhibit their non academic abilities and becomes a social in other activities

This events all are take place successfully

Problems: 1) Some time less respond from student

2) Syllabus completion is become hard.

## Educational Implication

And Need of extra co-curriculum Activities

For students with the syllabus extra-co-curriculum activities also important to develop the soft skill in the students

### Need and importance

- 1) To inform the students with various activities
- 2) To develop Humanities and human values, culture in students
- 3) To develop emotion feeling and love with each other
- 4) To develop confidence and soft skill in the students

# Overall Impression

- \* The Extra co-curricular activities which are conducted helpful to understand about time management, Organisation and Co-ordination.
- \* The importance of proper day and know about the ideal personality through this programme.
- \* The extra co-curricular activity also helpful to improve social interaction of the students.
- \* These programme improve the relation between student teacher and student.
- \* I am thankful to Karmveer Bhaurabek Hise school for their support. I'm also thankful to our principal Dr. Anita Thorat mam to such type of opportunities.
- \* I'm very thankful to my practical guide teacher Dr. Rabab Akhlaq Bhogat for their support and knowledge.
