Key Indicator -7.2 Best Practice

7.2.1 Description of two best practices successfully implemented by the institution

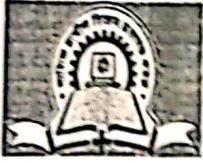

Nashik Gramin Shikshan Prasarak Mandal's Brahma Valley College of Education has implemented several best practices that have been successful in enhancing the overall quality of education and fostering a positive learning environment. The following are TWO Best practices of our college

Best Practice 1:

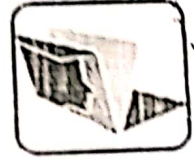

Nashik Gramin Shikshan Prasarak Mandal's Brahma Valley College of Education conduct Remedial Teaching on Every Sunday. The purpose of Remedial **teaching** is to help students who are falling behind in their studies and having difficulty learning the subject matter. Remedial teaching is done after the internal assessment, weak learners are identified and according to student's weakness remedial teaching is done. It is not possible to conduct remedial teaching in week days as our schedule is very busy. So our teachers work on Sundays also for the benefit of the student and they take compensatory off in week as per the requirement of teacher. The result of this remedial teaching is seen in the university examination.

Ringan Sohla for Nivrutti Maharaj Dindi yatra

Report:

Dindi Sohla is celebrated every year in Trimbakeshwar on occasion of Nivruttinath Maharaj Punyathithi. Thousands and thousands of Warkari people come to visit Nivrutti temple at trimbakeshwar walking from their place to pay their respects. This event occurs for three days. All the food, medical health expenses, stay and all the requirements which they need is provided by the Brahma valley Institute during their visit.

Parking area of Brahma Valley is provided to them for Ringan Sohla where all the Warkari sect people come together make a ring of flowers and pay tribute to Nivruttinath Maharaj. They pay tribute by their rituals and mantras. It is very overwhelming to see their faith and it's a great to see the way they pay their respect.
